

Our address is (for tango visitors):

Homer & Cristina Ladas  
Watergate Condominiums  
8 Captain Dr.  
Emeryville, CA 94608

Cristina and I are located off the 80 Freeway, Powell Exit (in Emeryville - same exit for IKEA and Bay Street Mall), head towards the water. We live in the Watergate condos on Captain Drive just past the Watergate Market (go through two lights, and around a large curve, after you turn onto Powell).

Off of Powell, and adjacent to the Watergate Market (past the large curve), turn right onto Captain Dr. Our condo is just past the tennis courts (on your right hand side) in Unit number 6. You will see big signs illuminating the unit numbers.

Please park anywhere out side (on Powell, Captain, or adjacent street to tennis courts). As long as there is no Do Not Park sign all outside parking spots are open to all visitors. Just don't park in the underground garage (under the condo complex). That's reserved for residents.

When you park your car head to the Unit 6 foyer entrance (where the big sign is). Please call Homer on his cell (510.847.3474) and he will come down stairs and let you inside.

Many hugs,

Homer & Cristina ;)
